Subject: RE: FNCFCS et al v AGC (CHRT File T1340/7008)

Dear Registry Office,

We ask that you please provide this email to the Panel as the Commission's response to the AFN's proposal to vary the motion schedule.

We have seen the AFN's request, and the responses from the Caring Society, COO and NAN. We have also seen the Tribunal's direction of earlier today, and will provide any views on its procedural aspect by April 11, 2024, as instructed.

The Commission takes no position on the AFN's proposal to vary the schedule.

In light of the urgency associated with the issues, and the amount of information already exchanged through the notices of motion, affidavits and cross-examinations, the Commission is prepared to proceed on any of the proposed schedules – whether the existing schedule, the alternative schedule proposed by the Caring Society in its letter of earlier today, or the schedule proposed in the AFN's request.

Yours truly,

Brian Smith
