

# Bear Witness Day

Bear Witness Day honours Jordan River Anderson and his family for the gift of Jordan's Principle.

Jordan's Principle is a child-first principle that ensures First Nations children get the services they need when they need them.

May 10 is an important date in the history of Jordan's Principle at the Canadian Human Rights Tribunal (CHRT). The CHRT's first non-compliance order called for Canada to fully implement Jordan's Principle by May 10, 2016. It took several years and further non-compliance orders against Canada before real progress was made and more work needs to be done. May 10 is also Spirit Bear's birthday!

Show your support and "Bear Witness" to Jordan's Principle by:

- bringing your teddy bears or stuffed-animal friends to daycare, school, or work on May 10
- writing to elected officials calling on them to fully and properly implement Jordan's Principle and commit to the Spirit Bear Plan
