Dear Ms. Dubois:

Re: FNCFCSC et al v AGC (CHRT File T1340/4008)

Chiefs of Ontario writes to file *Our Children, Our Future: Transforming Child Welfare for the Well-Being of Children and Families* with the Tribunal, which is the final report of the Ontario Special Study process and attached to the email transmitting this letter. We attach also the Resolution 20-14 of the Ontario Chiefs-in-Assembly accepting the report.

We file the report with the following comments. Firstly, Canada has not approved of or adopted the recommendations. Secondly, it is our client's understanding and agreement with Canada that the fact that this report is being filed does not affect the ongoing implementation of the Panel's orders contained in 2018 CHRT 4, and in particular para 427 of that order.

Should you have any questions about any of the above, please do not hesitate to contact the undersigned.

Yours truly,

Olthuis, Kleer, Townshend LLP
